The screenshot shows a Windows Explorer window with the following elements:

- Left Pane (Folders):** Shows the file system tree. Under 'Removable Disk (L:)', the 'Embf' folder is selected.
- Right Pane:** Displays four quilt design thumbnails with labels: 'quilt_feathers_04d.jef+', 'quilt_feathers_05.jef+', 'quilt_feathers_06.jef+', and 'quilt_feathers_07.jef+'.
- Dialog Box:** A 'Confirm Stream Loss' dialog is open, warning that extra information might be lost. It contains a 'Summary Info' field with 'Document Summary Info' and asks 'Do you want to proceed anyway?' with 'Yes' and 'No' buttons.
- Context Menu:** A right-click context menu is open over the right pane, showing options: 'View', 'Arrange Icons By', 'Refresh', 'Paste', 'Paste Shortcut', 'New', and 'Properties'. A red arrow points to the 'Paste' option.
- Text Instructions:**
 - 'click on the PLus by the removable drive Open the folder EMB and then open the folder embf'
 - 'Now right click in the right window and select paste'
 - 'you will get this sign say YES'

The screenshot shows a Windows XP file explorer window. The left sidebar shows the 'Folders' pane with 'Removable Disk (L:)' expanded to a folder named 'Emb'. The main pane shows five quilt design files: 'quilt_feathers_04d.jef+', 'quilt_feathers_05.jef+', 'quilt_feath...', and 'feathers_08.jef+'. A context menu is open over the files, listing options like 'Open', 'Convert', 'Edit', 'Print', 'Convert to Adobe PDF', 'Open With...', 'Scan with Norton AntiVirus', 'Add to archive...', 'Add to "Embf.zip"', 'Compress and email...', 'Compress to "Embf.zip" and email', 'Upload using WS_FTP Upload Wizard', 'yEncode with yEnc32', 'yDecode with yEnc32', 'Send To', 'Cut', 'Copy', 'Create Shortcut', 'Delete', 'Rename', and 'Properties'. A text box in the center of the window reads: 'To delete designs off your Flash drive Go to the same folder you pasted to Select the designs right click and click on delete Voila all done'. A red arrow points from the 'Delete' option in the context menu to the text box.

**To delete designs off your Flash drive
Go to the same folder you pasted to
Select the designs
right click and click on delete
Voila all done**
